Wood

02

Inspired by a number of timber species, our Wood range reveals the charm of your rooms, giving them a natural touch. Are you dreaming of an interior with a "Swiss chalet" or Canadian-style look? An oak, beech, teak look....Placed in strategic places, such as a table or a wardrobe door, you would only need the smell of the woods and birdsong to transport you to the middle of the forest.
NF32

Wood texture naturally fits anywhere

Natural Surface
04

Unique materials and colours await you in our Textile range. Ideal for creating a modern but unstructured look! Attract the eye and stir emotions in a bedroom or a dining room thanks to the hypnotic textures of the highly numerous models of the range. As in fashion, textile in décor is a matter of good taste and toning.

NG06

Unique and luxurious texture

Real Fabric

This product, made by a weaving method of weaving PVC yarns one by one into weft and warp yarns, has natural texture and durability unique to fabric.
